

VIEWS FROM THE LEFT COAST

Friday, January 20th, 2023 11:30AM-2:30PM PST - Chapman University

The Future of Cities

The Western US has long been an innovator in developing the urban form, notably in the creation of suburbanized, multipolar cities. Yet now that model is showing strain, and there's a fierce debate about how western cities should grow. The panel will explore these issues, from homelessness to high housing prices and the impact of regulation.
